

The third in a series of President's "Chautauqua" will take place in Tallinn on March 19 and will this time focus on innovation.

President Toomas Hendrik Ilves and Skype CEO Josh Silverman will hold a public debate on the global aspects of innovation and the challenges facing Estonia. The entire audience is expected to take part in the discussion.

The President's "Chautauqua" is organized in cooperation with the [President's Academic Advisory Board](#), Tehnopol and Skype. Attendance by invitation only. The President's "Chautauqua" will also be broadcast live on the Internet.

Watch the live broadcast and join in for questions: <http://www.tehnopol.ee/seminar>
