

Young Estonian scientists who are younger than 35 years, are conducting research at an Estonian or foreign college, university or research institution, and who have already completed their doctorate may apply for **an award granted by the Cultural Foundation of the President of the Republic in the amount of 4,793 euro**

The Young Scientist Award is sponsored by Väino Kaldoja.

Submitted nominations must comprise a written application, including personal details and a short curriculum vitae (name, address, education, work relevant to the research in question); a description of the research being conducted; a list of published research work relevant to the research in question; and at least two references from tutors or teachers.

All of the documents related to nominations for the award must be submitted to the Cultural Foundation at the postal address of the Office of the President of the Republic – Weizenbergi 39, 15050 Tallinn – or sent, digitally signed, to vpinfo@vpk.ee **by 18 November 2011 at the latest** (date on postal stamp included).

Last year, President Ilves presented the Young Scientist award to philosopher Bruno Mölder.
